

Information For Colleagues Attending Courses At Precision Academy Glasgow

Dear Colleagues,

I hope this email finds you well and that you are looking forward to the course.
Some final pieces of information about the venue, travel etc below.

Venue:

Precision Academy
2nd Floor
84 Miller St
Glasgow G1 1DT

Travel and Parking

If travelling by train we are literally 2 minutes walk from Queen Street Station.

If you are driving then there are car parks at St Enoch Centre and in Stockwell Street. There is also a large open air car park opposite the St Enoch Centre

On-street parking in Miller Street is very expensive and the traffic wardens are meanies so please avoid this if you can.

Accommodation

Closest accommodation is Ibis Styles which is directly next door and reasonably priced.

On arrival at 84 Miller Street please come up the short flight of stairs and press the buzzer for Precision Academy, then take the lift to the second floor. On exiting the lift please turn right.

Timetable

Each course will start at 9am sharp on Day 1, lunch will be at 1pm and we aim to finish by 6pm.

You may be asked to start at 8.30am on Day 2 of each course depending on how much progress was made the day before. We will always try to finish by 6pm on Day 2 and the same on Day 3.

Loupes

If you currently wear loupes please do bring your loupes and light with you to the course. If you do not currently wear loupes then we will have the folks from Bryant Dental on hand to let you try a pair for the course. If you wish to upgrade your loupes then you can also have a chat with them about this.

Dietary Requirements

If you have any allergies or dietary requirements please let me know so that we can accommodate you.

Please can you confirm that you have received this email.

Kind regards,

Attiq Rahman
